THIS DOCUMENT RELATES TO:

HON. CYNTHIA M. RUFE

ALL ACTIONS

PRETRIAL ORDER NO. []
**(CASE MANAGEMENT ORDER SCHEDULING DISCOVERY, MOTIONS, AND
OTHER PROCEEDINGS TO BRING THE BELLWETHER CASES TO TRIAL)**

AND NOW, this ___ day of ____ 2020, upon consideration of the parties’ schedules for the discovery, motions, and other proceedings to bring to trial Direct Purchaser Plaintiffs’ (“DPPs”) and End-Payer Plaintiffs’ (“EPPs”) class-action complaints as to clobetasol, clomipramine, and pravastatin (the “Individual Drug Bellwether Cases”),¹ and the State Plaintiffs’ Teva-centric Amended Complaint filed November 1, 2019 (the “Teva AG Bellwether Case”, and together with the Individual Drug Bellwether Cases, the “Bellwether Cases”) it is hereby **ORDERED** that the following schedule² will govern fact discovery and the Bellwether Cases.³

A. Responsive Pleadings

The following deadlines shall govern the responsive pleading deadlines for the Bellwether Cases. These deadlines, and all additional deadlines, are listed in Exhibit A.

¹ Whether the IRPs’ individual drug cases as to clobetasol, clomipramine, and pravastatin are included in the bellwether schedule is subject to the Court’s decision on Defendants’ pending Motion for Clarification (ECF No. 1479).

² To the extent that any deadlines are on a weekend, the parties agree that the operative deadline will be the following Monday.

³ Nothing in this proposed schedule shall prejudice any Defendants’ ability to seek protective orders as necessary to protect their rights. In addition, the recent DOJ actions as to certain Defendants raise additional complexities with regard to case management in this MDL, including with regard to the scheduling of depositions, and therefore nothing in this proposed schedule shall prejudice any Defendant’s ability to seek relief from the case management schedule with regard to issues posed by the pending indictments.
